End the nightmare of parents and teachers' discipline. The most interesting picture book for children's safety knowledge has 18 themes and more than 144 simulated scenarios, giving children multiple cognitive learning! The most common things we do every day are going to school and at home, running around in public, screaming, unruly, and making tantrums. How do they affect our safety? Follow along to understand the importance of safety and stay away from the danger of injury! The

The book includes 6 short stories written by Chinese novelist Lu Yao. One of the stories, Nezha, has been adapted for a 2014 film with the same title. The story centers on two high school classmates, Li and Wang, who developed a short period of friendship and spent the summer together before heading to different directions of future life.
