

501 C 3 Guidelines

A complete and up-to-date legal resource for administrators of tax-exempt healthcare organizations, the Third Edition equips you with a comprehensive, one-volume source of detailed information on federal, state, and local laws covering tax-exempt healthcare organizations. The Third Edition of this practical, down-to-earth book tackles complex legal issues by providing you with plain-English explanations and the appropriate legal citations for further research.

This bulletin presents announcements of official rulings and procedures, treasury decisions, executive orders, tax conventions, legislation, and court decisions. It also contains other items of general interest intended to promote a uniform application of the tax laws.

Identifies and describes specific government assistance opportunities such as loans, grants, counseling, and procurement contracts available under many agencies and programs.

This thoroughly revised and updated book provides a strategic and operational resource for use in planning and decision-making. The Handbook enables readers to fine-tune operation strategies by providing updates on critical managed care issues, insights to the complex managed care environment, and methods to gain and maintain cost-efficient, high quality health services. With 30 new chapters, it includes advice from managers in the field on how to succeed in every aspect of managed care including: quality management, claims and benefits administration, and managing patient demand. The Handbook is considered to be the standard resource for the managed care industry.
