Learning to Read in English and Spanish Made Easy A Guide for Teachers, Tutors and Parents By: Susie G. Navarajo Reading is fundamental to every child's growth. It expands their creative experiences and allows them to venture into the unknown. It also expands their vocabulary and develops concepts that are going to help children with communication skills and prepare them for academic success. Reading is the critical foundation for learning. All children should have the opportunity to learn and have the right to excel to the best of their ability, especially in reading. Children come to school with different needs, and because of this, it is a challenge to get through to all of the children. If the expectations are high for everyone, then everyone will have a better chance of reading to their potential. A teacher has to be open to and on the lookout for many ways to teach the same objective because children come to school from different backgrounds, experiences, and abilities. The more the teacher knows of a child's background and language experiences, the more insight there is into his/her learning process. In Learning to Read in English and Spanish Made Easy: A Guide for Teachers, Tutors, and Parents, Susie G. Navarajo shares the unique methods she developed over three decades of teaching reading in the first grade. She also shares experiences she has had in trying to help children with special needs and backgrounds. Her insight and experiences are sure to be of help to anyone who wishes to help children of all ages and abilities.

This is part of a series which covers the NVQ and GNVQ language options in Business, and Leisure & Tourism, and is available in French, German and Spanish. Each course comprises a student book, a resource and assessment file, two presentation cassettes and two consolidation cassettes. End-of-unit progress checks are cross-matched with NVQ criteria for assessment in reading, speaking and writing, and each of the resource files contains photocopiable worksheets and a cassette for preparation and assessment in all four skills.
