Business Law, 5th Edition (James et al.) is written for business students to provide a clear and accessible introduction to the legal system. Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline. This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use. The **Business Law** interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Herbert Smith Freehills, animated work problems and questions with immediate feedback. This new edition is a unique resource that can form the basis of a blended learning solution for lecturers.

Interesting, clear, and applied, **BUSINESS LAW TODAY, THE ESSENTIALS: TEXT AND SUMMARIZED CASES, 11E** is a concise guide to the law and what it means in the business world -- from contracts and secured transactions to warranties and government regulations. Easy to understand with an engaging writing style that is matched by vibrant visuals, **BUSINESS LAW TODAY: THE ESSENTIALS** includes coverage of contemporary topics that impact not only the business world, but also the reader's personal life. The book examines timely issues, such as the financial crisis and its impact on business law, identity theft, immigration law, and diversity issues. Fascinating features and intriguing cases highlight the practicality of the concepts highlighted in the book. The book has been written for 'Business Laws' Paper of the BCom (Hons), Semester-I, Examination of the University of Delhi in accordance with its syllabus under Choice Based Credit System. Its contents have been largely extracted from the author's reputed title Business Law which has gained tremendous readership over the years. This book presents the subject matter tailor-made as per the revised course structure of the Paper, to enable the students to possess a textbook that caters to their needs in full. The book has been organized into four parts, namely, Law of Contract, Law of Sale of Goods, Law of Limited Liability Partnership, and Law of Information Technology. Key Features

- Quotes Indian and English cases at appropriate places with a view to ensure necessary authenticity and clarity on the subject
- Includes objective type questions, test questions and practical problems with hints and solutions in each chapter to enable students to evaluate their understanding of the subject
- Explains complicated provisions in easily comprehensible language with the help of illustrations and analogies

This book presents a clear and precise overview of the key aspects of German business law. It was written by attorneys involved in the daily practice of business law in Germany and is aimed at people who wish to orient themselves quickly in which it impacts business pur with the German legal system and the manner chases, establishment, operations and liquidations. The first section of the book is devoted to an explanation of the major issues to be considered in acquiring or establishing a business in Germany, whereas the second section focuses on areas of special consideration. In both sections special attention has been paid to highlighting and explaining the differences between the German legal system and that of the United States, though the intention is to provide information that will prove valuable to all foreigners, particularly business men and women and lawyers advising clients with an interest in doing business in Germany. Though it is the object of this book to present readers with a general

orientation and the foundation for making informed decisions concerning business transactions in Germany, it cannot possibly function as a substitute for case-specific professional advice and by no means purports to do so. Those readers who wish to follow up on any decisions they may have formed on the basis of the material presented here are well advised to seek the guidance of qualified attorneys and tax advisors before entering into any binding obligations.

Do your students struggle to engage with legal topics? Look no further than Marson and Ferris' *Business Law* to help them actively engage with the law, understand it, and approach it with confidence. Written with business, management, and finance and accounting students in mind, the authors put the law into a context that they can easily understand by introducing case studies in every chapter. "Business Scenarios" help the students contextualize the law by presenting the reader with an example of an everyday problem which demonstrates how the law can affect a company, employer, employee, or other individual. Throughout each chapter the students are asked to pause and consider how the content applies to these routine business problems, enabling them to become active readers and think independently about how the law operates. The first chapter provides a helpful guide to studying the law and advice on how to excel in assessments so that students can fulfil their potential. This chapter includes a sample problem question and model answer. Further sample problem and essay questions can be found at the end of chapters, giving readers an opportunity to test their understanding and practise for assessments. Students will be able to find indicative answers to these questions hosted with the online resources for this book. At the end of each chapter the authors provide further reading suggestions to guide students that want to deepen their knowledge, including well-maintained and trusted websites, Twitter feeds, and YouTube channels in addition to suitable books and articles. Online resources This book is accompanied by a suite of online resources to support students' learning, including flashcard cases, self-test questions and answers with feedback, and additional material on legislation.

International Business Law and the Legal Environment provides business students with a strong understanding of the legal principles that govern doing business internationally. Not merely about compliance, this book emphasizes how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions—from import and export, contracts, and finance to countertrade, dispute resolution, licensing, and more—giving them both context and demonstrating real world application. This new edition also includes: New material on comparative contract and sales law & European private law; joint ventures and collaborative alliances. A new part on foreign direct investment that includes a chapter on emerging markets. New chapters on privacy law, and on environmental concerns. Greater coverage of the World Trade Organization. "Case highlights" and court opinions that feature edited court transcripts which expose students to actual legal reasoning and an understanding of the underlying legal principles. These decisions are drawn from a broad range of countries, offering a truly international look at the subject. Students of business law and international business courses will find DiMatteo's clear writing style easy to follow. A companion web site includes an instructor's manual, PowerPoints, and other tools to provide additional support for students and instructors.

August emphasizes the diversity and similarity of how firms are currently regulated and governed around the world.

Law for Business Students is the popular textbook for introducing legal concepts to non-law students in a practical, engaging way through real-life cases relevant to the business world. A clear explanation of the study of law and study skills leads into the main core topics of law: contract (including intellectual property), tort, employment and business organisations (including formation), governance and dissolution. The book also includes a range of features to aid understanding, applying and analysing legal concepts: - Scenarios – to encourage development of opinions and application of relevant legal concepts. - Worth thinking about – discussion points to analyse within the classroom. - Exam tips – pointing to areas of the law which are ripe for questions in an exam, to help revision practice. - Chapter summaries – to reinforce learning of key concepts. - Key terms – highlighted in margin notes. - Review questions with answers – self-test questions and worked exam examples to consolidate knowledge, encouraging students to apply the law and boost confidence. - Advanced questions – to challenge students in developing knowledge of the law. This 12th edition has been fully updated and also provides restructured coverage of negligence, with dedicated chapters covering negligence and special duty situations and product liability. Clear and concise, it provides accessible coverage of the fundamental legal principles and an understanding of the practical application of the law to the business environment. Additional instructor resources to accompany the book are available at go.pearson.com/uk/he/resources Alix Adams is a barrister with over 30 years' experience of teaching law from GCSE to degree and postgraduate level. Stephanie Caplan is a barrister and a Senior Lecturer at Kings Business School, Kings College London and Westminster Business School, University of Westminster with extensive experience in teaching law at both undergraduate and postgraduate level and with a special interest in employment law. Graeme Lockwood is a Senior Lecturer in Business law at Kings Business School, Kings College, London with a broad range of teaching experience both at undergraduate and postgraduate level and on executive business courses. He is a prominent researcher with extensive publications in Employment Law.

This text, completely updated from the Third Edition, provides students and practitioners of international business law with a clear ¿story line¿ that addresses key transactions-oriented questions facing international lawyers as they advise clients on a broad range of cross-border business issues. The structure to the text of Global Business Law reflects the typical progression of business organizations in ¿going international¿: from transnational sales to licensing of production abroad (and international franchising), and then foreign direct investment. This structure, organized in a clear narrative that is replete with illustrations, citations to authority, detailed analysis, and references to geopolitical context, yields a text that can be used not only for students wishing to gain a close familiarity with the subject for the first time, but also for practitioners who want clear answers and guidance, not just questions and readings.

Concise, authoritative, and reader-friendly, BUSINESS LAW: TEXT & CASES--AN ACCELERATED COURSE delivers an ideal blend of classic black-letter law and cutting-edge coverage of contemporary issues and cases for a one-semester business law course. The book's strong reader orientation makes the law accessible, interesting, and relevant, and the cases, content, and features represent the latest developments in business law. An excellent assortment of included cases ranges from precedent setting landmarks to important recent decisions, and ethical, global, and corporate themes are integrated throughout. In addition, numerous features and exercises help you master key concepts and apply what you've learned to real-world issues, and the book offers

an unmatched range of support resources, including innovative online review tools. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

As business law becomes increasingly complex, it has become more important for the entrepreneur to have an appreciation of the legal issues which may affect their venture. In this book, Jon Gill guides the entrepreneur through the range of legal issues which may affect their business, whether seeking to employ people, take on premises, protect IP rights, raise finance or realise a return on their investment on exit. By following the issues along the life-cycle of the company, the entrepreneur is provided with an invaluable first port of call whatever the stage of the business. The entrepreneur will then, with the benefit of professional advice, be able to minimise the risks, take advantage of the opportunities, and fulfil their business goals. Jon Gill has an LLB in Law from the University of Birmingham, and an MSc in Entrepreneurship with Distinction from the University of Bristol. He has also been involved in a number of start-up and small entrepreneurial businesses. He is now a trainee solicitor with Eversheds, the leading international law firm, and a visiting lecturer at the University of Bristol and the University of Bath School of Management
