Needles/Powers/Crosson PRINCIPLES OF ACCOUNTING is continuously evolving to meet the needs of today's learner. This edition's new structure is based on research with students about the best way to deliver content in this course! The chapters in Needles/Powers/Crosson have been organized into the Three Section Approach, which helps you more easily digest the content. The first section is Concepts and focuses on the overarching accounting concepts that require consistent reiteration throughout the course. With a clear understanding of the concepts, you are then ready to experience the second section--Accounting Applications. Here you practice the application of accounting procedures with features like Apply It and a new transaction analysis model, which clearly illustrates how transactions are the result of business decisions and recorded in a way to show their effects on the financial statements. Finally, you utilize section three, Business Applications. This section illustrates how the concepts and procedures are used to make business decisions. Real company examples are used throughout the chapter to show students the relevance of the material. This logical progression through the material is further supported in the online environment in CengageNOW with the Tri-Level Problem. This problem mirrors the Three Section Approach and connects the sections to facilitate a more complete understanding. These substantial changes will make you a more efficient learner and are designed to prepare you for a business world increasingly complicated by ethical issues, globalization. Help today's advanced accounting learners master the theory and practice they need for professional success with Fischer/Taylor/Cheng's ADVANCED ACCOUNTING, 12E. This leading text offers readers the most authoritative, comprehensive coverage of advanced accounting topics available. This edition explores the latest FASB statements and their impact on consolidations. The authors combine sound theoretical foundations with a hands-on approach using numerous actual examples common in today's accounting. The text's proven focus on conceptual understanding and clear presentation style make even the most complex topics approachable. New and revised end-of-chapter questions reinforce major concepts from each chapter and challenge students to expand their critical thinking and reasoning skills. Only ADVANCED ACCOUNTING, 12E uses a horizontal approach to consolidations, the format most commonly used in today's business world. A trusted preparation resource for the CPA exam, ADVANCED ACCOUNTING, 12E provides the knowledge today's learners need for ongoing accounting success. Ideal for graduate, MBA, and rigorous undergraduate programs, FINANCIAL ACCOUNTING: AN INTRODUCTION TO CONCEPTS, METHODS, AND USES 14e presents both the basic concepts underlying financial statements and the terminology and methods that allows the reader to interpret, analyze, and evaluate corporate financial statements. Fully integrating the latest International Financial Reporting Standards, inclusive of the latest developments on Fair Value Accounting, and now more streamlined for busy students, this text provides the highest return on your financial accounting course investment. With great clarity, this widely respected financial accounting text paces students appropriately as they learn both the skills and applications of basic accounting in earlier chapters as well as the impart the concepts and analysis skills they will use as future business leaders. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Wahlen/Jones/Pagach's INTERMEDIATE ACCOUNTING, 2E addresses student confidence in the Intermediate Accounting course like no other product on the market. The second edition includes resources that help students understand the rigor and time requirements of the Intermediate course before that first exam, while additional resources such as in-text Got it? quick checks keep students on track, building confidence with detailed remediation and thorough explanations that build a pathway to success. All of this is accomplished without sacrificing the book's approachable writing style that uses recognizable, familiar companies such as an ongoing Starbucks case, and examples from familiar companies, such as Coca Cola, Louis Vuitton, and Nestle. This edition presents the latest information on the new Revenue Recognition Standards. After carefully considering the most effective methods for covering this topic, the authors have incorporated updates throughout the book with special spotlight coverage in Chapter 17. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The text's efficient format does not overwhelm students, and its accessible style provides an alternative to more encyclopedic, reference-book approaches. The book offers a blend of the core concepts of accounting principles with procedural applications. This approach is supplemented with the most expansive set of end-of-chapter material on the market, a thorough integration of today's hot topics, and a robust selection of student and instructor print and online

resources. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Gain a solid foundation in the core accounting concepts as you develop a true appreciation for why accounting is important to business and a prosperous society with Warren/Reeve/Duchac's *CORPORATE FINANCIAL ACCOUNTING*, 14E. This latest edition clearly demonstrates how accounting is more than just data and black and white rules. Instead, you see how accounting provides key information used to make critical business decisions. A new chapter schema provides context that emphasizes how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture throughout the text by connecting journal entries to the accounting equation. Readers also gain critical practice in making business decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS, Ninth Edition, is packed with decades of academic and real-world accounting experience. This text provides the appropriate blend of academic rigor with step-by-step learning and decision-making models that reach today's students and equip them with the skills they need to be effective decision makers and future business leaders. Instead of an abstract approach to accounting, *FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS* takes students through recognizable focus companies and their specific financial data and business strategies, imparting students with real-life experience and a model to hone the skills necessary to making important decisions. This edition features three key models that provide students with a more structured approach to understanding financial data and how it is used to make sound business decisions. The Transaction Analysis Model helps students see the effects an economic event has on the accounting equation and financial statements. The Financial Decision Framework focuses on ratio analysis and financial decisions, and the Ethical Decision Model helps students apply ethical judgment when applying accounting principles. *FINANCIAL ACCOUNTING: THE IMPACT ON DECISION MAKERS*, Ninth Edition, will not only help your students learn and understand core accounting rules and procedures but it will also give them a framework through which they can apply their knowledge to make effective business decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

As in previous editions, the focus in *PREALGEBRA* remains on the Aufmann Interactive Method (AIM). Students are encouraged to be active participants in the classroom and in their own studies. For the first time in this edition, How To examples appear before the paired Examples and You Try It problems—a hallmark feature found in all other books in the Aufmann series. Presenting students with worked examples, and then providing them with the opportunity to immediately solve similar problems, helps them build their confidence and eventually master the concepts. Simplicity is key in the organization of this edition, as in all other editions. All lessons, exercise sets, tests, and supplements are organized around a carefully constructed hierarchy of objectives. Each exercise mirrors a preceding objective, which helps to reinforce key concepts and promote skill building. This clear, objective-based approach allows students to organize their thoughts around the content, and supports instructors as they work to design syllabi, lesson plans, and other administrative documents. New features like Focus on Success, Apply the Concept, and Concept Check add an increased emphasis on study skills and conceptual understanding to strengthen the foundation of student success. The Sixth Edition also features a new design, enhancing the Aufmann Interactive Method and making the pages easier for both students and instructors to follow. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Get where you need to be with *CORNERSTONES OF FINANCIAL ACCOUNTING*. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. *CORNERSTONES* aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. Get There with Cornerstones! Available with InfoTrac Student Collections <http://gocengage.com/infotrac>.
