My daughter turned one last month, and she picks this birthday book out at least once a day for me to read it to her. I plan on purchasing the Christmas equivalent as well! Updated review: I forgot I had written a review already. But after 4 months since my last review, this is still a go-to book for my daughter. She now makes the animal sounds, points to all the balloons, and identifies the individual animals with sounds on the party page. ~ AC Blake loved his birthday book. He's 5 years old and smart as can be. Thanks so much. ~ Cynthia A. My grandson Lorenzo was thrilled. To see my boys laugh and smile! ~ Cassandra H. Thank you so much! I love your books & so do my grandchildren. ~ Diane M Loved it and ordered a second one. Very cute and personal children's book. It makes a great birthday card as well. ~
