Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Are you on a fast track to nowhere, running from life 's alligators, watching dreams vaporize, or crashing into yourself head-on? Are you sick of Mondays, easy-believisms, shallow relationships, self-help books, broken promises, and dead religion? We all need hope and help in our search for identity, purpose, love, and spirituality. Truth can be hard to see, but freeing to find. If you feel empty, afraid, uptight, or alone these pages lead you in victory 's miraculous dance with life, love, and God. Written by a farm boy who 's been there, walked across America twice, braved Afghanistan 's war zones, sat with foreign dignitaries, survived near-fatal wrecks, and confronted fear to defend the powerless and declare Love 's practical message

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.
