This law school text organizes documents into three sections that correspond to the three major modes of written communication in the law?Litigating, ? Informing and Persuading, ? and ?Rule-making? ? each with its own signature writing skills. Part One focuses on pleadings and motions, Part Two covers letters, briefs, and opinions, and Part Three covers contracts, legislation, and wills. It is intended for both ?Advanced Writing? and ?Introduction to Drafting? courses. However, this text treats a broad range of documents and a broad range of skills, and so it is suitable for all of these upper-level writing courses.

Though most news reporting is necessarily impartial and fact-driven, an editorial is the journalist's opportunity to share his or her opinion on an issue. In this volume, students will discover that research is still a key component in expressing their opinion. They will learn how to structure an argument, back it up, and influence readers. Whether discussing a problem in their school or addressing a broader national or international issue, young journalists can exert influence and credibility through their editorials.

This book will help both law students and students on courses for professional qualifications to understand how to draft a claim in tort in both the High Court and

the county court and how to structure advice and opinions to a client on their tortious claims. The procedural rules that govern drafting a claim, a defence, a reply and third party proceedings are set out in the book and the structure of a claim, an opinion, advice, and a defence to a claim, is explained. Optional tests and suggested draft claims, defences and opinions are supplied. The book starts with simple straightforward claims in tort and gradually takes the student through the more complex cases. Worked examples are given throughout.

Hurrah for Essays! All writing lessons should be this much fun. When cousins Dennis and Mellie decide to get a dog, they consider carefully what breed would be best for each family. For example, Dennis wants a big dog, but Mellie wants tiny. He has no other pets, but she has other pets that a dog must get along with. They consider different dog personalities, family situations, and personal preferences. Dennis writes an opinion essay for his teacher, Mrs. Shirky. But will his essay convince his parents to get the dog of his dreams? This story takes a popular subject-kids getting a pet-and adds dogs of all sizes and shapes: all writing lessons should be this much fun. In the end, it's cousins and the dogs that keep a reader turning the page. What kind of dog will Dennis choose? Will Mellie want the same kind of dog? PRAISE FROM DOG EXPERTS "Darcy Pattison does a remarkable job on several fronts with her wonderful new book *I Want A Dog: My Opinion Essay*. She introduces the value of the written text at an early age to children. This cannot be emphasized enough in our early classrooms. With this comes an important lesson regarding the responsibility of owning and caring for a dog. As President of the Labrador Retriever Club representing the breed with the largest number of dogs I know how imperative responsible dog ownership is and Darcy does a wonderful job instilling this at an early age. This is a remarkable children's book that has a lesson." -Fred Kampo, President of the Labrador Retriever Club This story hits many notes: A family story about cousins, Dennis and Mellie Information on dog breeds Responsible dog ownership Mentor-text for teaching writing Model opinion essay for elementary students Models the writing process, especially the importance of pre-writing or planning before you write Completes the writing process by showing the results of Dennis's essay I WANT A DOG almost makes opinion essays look too easy. This book is based on real life experiences where the possibility of the living being able to communicate with the deceased is investigated. The belief in reincarnation and life after death raises a tantalising question: Can the living communicate with the dead? Most churchmen and scientists are sceptical, but many people, including churchmen and scientists, believe such a thing is possible. The belief in the immortal soul is a dogma of Christianity (resurrection), Hinduism (reincarnation or samsara), Islam (Day of Judgement), Judaism (sheol), and the Shona (NyikaDzimu). Moreover, man has been familiar with the concept of life after death since time immemorial. Immortality has been rejected by those who feel its only basis is wishful thinking that when the body dies, the personality dies with it because it is part of the physical body. Believers can cite the resurrection of Jesus, and maintain that since life on earth is not completely fulfilled an afterlife is necessary for completion. Another argument in favour of an afterlife is that since matter and energy may be transformed but not destroyed, neither can personality, which exists just as do the elements in nature, be destroyed. In many of the ancient societies, including Egypt and Greece, dreaming was considered a supernatural communication or a means of divine intervention, whose message could be unravelled by those with certain powers. In modern times, various schools of psychology have offered theories about the meaning of dreams. In *Communication with the Deceased* is meant to serve only as a basis for reflection in order for the reader to examine all the clues and then derive further meaning from specific circumstances of his/her own dreams. To be able to interpret a dream, one does not need to have an academic degree in psychology. What is important is to use one's instinct and common sense. Try to develop your own personal insights into what the common symbols in your dreams mean. When it comes to dream symbols, there are no equivocally universal rules or meanings. Dreams dictionaries help by providing hints at the meaning of symbols that appear in one's dreams. This book is of value to those studying psychology and those participating
