Throughout this splendid book, grounded in the intimate joys and trepidations of new motherhood, there is an undercurrent of foreboding about the kind of world we are bequeathing to our children—a world ravaged by environmental degradation and political strife. But Meghan Sterling's unflinching depiction of the imperiled world that her daughter will likely inherit is tempered by the abiding lessons of her Jewish ancestral history, a reverence for the natural world in all its seemingly unstoppable splendor, and an unquenchable hope that the future is ours to redeem: ". . . to you I bequeath / all the courage / of birds and flowers, / water and stones, / to love enough, / to love with the toughness of trees." -Richard Foerster

The Great Procession chronicles a series of encounters with the Holy Spirit that Jacob Reeve experienced over the course of nine months immediately following a 40-day fast. During this time, Jacob was awakened almost every night by the Spirit to receive the next portion of an ongoing parable that picked up where it left off the night before. As the story unfolds, so does the contrast between the divisive religious mindset and the mindset of pure identity in Christ. The Spirit is revealing what it looks like for mankind to venture out from the island of isolation and into the open forests of God's Kingdom: hence the Great Procession. For many, this parable will represent a foundational shift in the way everything is seen. The Incredible insights from the Holy Spirit answer many of those deep-down questions about life, purpose, and faith that many of us have, and will prove to be an indispensable resource for anyone who desires to live in a wholehearted, full embrace with Christ, knowing the King and His Kingdom, and living in the true faith, freedom, and love that the Holy Spirit beckons us into.

How can we make sense of violence in the Bible? Joshua commands the people of Israel to wipe out everyone in the promised land of Canaan, while Jesus commands God's people to love their enemies. Los Angeles Times Book Prize • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist “As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not.” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people’s lives and behavior and the nation’s fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball’s Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in

Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. In this “gripping story of resistance and the triumph of human will” (Senator Elizabeth Warren), activist and subject of the new documentary *Not Going Quietly* Ady Barkan explores his life with ALS and how his diagnosis gave him a profound new understanding of his commitment to social justice for all. Ady Barkan loved taking afternoon runs on the California coast and holding his newborn son, Carl. But one day, he noticed a troubling weakness in his hand. At first, he brushed it off as carpal tunnel syndrome, but after a week of neurological exams and two MRIs, he learned the cause of the problem: amyotrophic lateral sclerosis, better known as ALS or Lou Gehrig’s disease. At age thirty-two, Ady was given just three to four years to live. Yet despite the devastating diagnosis, he refused to let his remaining days go to waste. *Eyes to the Wind* is a rousing memoir featuring intertwining storylines about determination, perseverance, and how to live a life filled with purpose and intention. The first traces Ady’s battle with ALS: how he turned the initial shock and panic from his diagnosis into a renewed commitment to social justice—not despite his disability but because of it. The

second, told in flashbacks, illustrates Ady's journey from a goofy political nerd to a prominent figure in the enduring fight for equity and justice whose "selfless activism fighting to make health care a right should be an inspiration to us all" (Senator Bernie Sanders). From one of today's most vocal advocates for social justice, Eyes to the Wind's "primary question is existential: how to live when you are dying? Barkan's answer is to share, open up, act, and capital-R Resist, and his memoir, clearly and candidly written, establishes a legacy" (Booklist).

Malachy McCourt was already famous as an actor, saloon-keeper, and late-night TV personality when his brother Frank's *Angela's Ashes* was published. That book introduced the incorrigible, indomitable Malachy to a worldwide audience; his memoir, *A Monk Swimming*, picks up his rollicking story. Born in Brooklyn and raised in the lanes of Limerick, Malachy returns to New York at age 20. After stints in the Air Force and as a longshoreman, he parlays his gifts of gab and conviviality into an ownership position at Malachy's--the first singles' bar--where glamorous women from the Barbizon Hotel could stop in for a tippie and flirt. He hilariously recounts many madcap adventures, from selling Bibles on Fire Island and smuggling gold in Zurich to acting with the Irish Players and a semi-regular gig on Jack Paar's *Tonight Show*. In *A MONK SWIMMING*, Malachy's genius for storytelling and language will have you laughing till you weep. The book *Wormwood* reveals how a root of bitterness toward obeying Yahuah's Word grew up in the early forms of Christianity, and how they persecuted Natsarim they

encountered who kept the Commandments. Keeping Commandments was considered heresy to the church fathers, and doctrines developed based on the patterns of Sun worship. The Roman Timeline of dogmas and bulls reflects a close similarity with Hinduism, and now the Information Age is causing an awakening. You will see the distinction between one who serves Yahuah, and one who does not serve Him. This book may be a great starting point for sharing the naked Truth with those who are fast asleep in the dream world of religion. The Alexandrian church fathers disassociated themselves from all behavior resembling what we see in Scripture. Anyone who observed Torah or used terminology reflecting similarities with the Yahudim was taxed by the Fiscus Judaicus, and the revenue was sent to support the Sun worshipping magisterium of Rome. The final blow to wormwood is the revealing of who Easter is. When Christians learn that Easter is Ishtar, the Harlot of Babel, they will see they were in the Mother of Harlots. This awakening will break the spell of wormwood, and the bitterness toward obedience will vaporize.

A fine precursor to Dumas' later classics, it's especially recommended for fans of naval adventures, like C.S. Forester's "Hornblower" series. Alexandre Dumas (1802 - 1870) was a hugely popular 19th Century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.
