surgical patient care, administrative duties, and research despite the increasing constraints on time and resources in today's hectic practice environment. Navigating Organized Urology: A Practical Guide systematically presents a range of practical strategies for a successful transition from trainee to practising urologist, while also offering more experienced urologists a fresh perspective on efficient management and successful adaptation of their practices for the modern age. In this sequel to *The Mountain Man's Dog*, rustic forester Lehigh Carter must prove that his fiancée is innocent of murdering a popular Acting Sheriff — but evidence of a secret affair makes even Lehigh wonder if he should fight for her freedom against the corrupt local machine that accused her. Lehigh conducts his own investigation into the murder and discovers a series of clandestine meetings between Jared and Stacy leading up to his death—meetings that look a lot like an ongoing secret love affair, rekindled from their youth. Lehigh's doubts about Stacy's innocence multiply when she reconnects with her ex-fiancé, attorney Paul van Paten, a leading member of the conspiracy against Lehigh. Rejecting the advice of his lawyer, Lehigh plays a high-stakes game of legal chicken to infiltrate the conspiracy and discover the truth behind Jared Barkley's murder, putting himself in greater danger than he ever imagined. *The Mountain Man's Bride*, book two of *The Mountain Man Mysteries*, combines the adventure and grit of a thriller, the suspense of a mystery, the sweetness of a romance, and the humor of a dog cozy to delight and enchant all readers who enjoy a well-written story.

This book gives the reader a playful peek into our twenty-year journey into the fascinating world of furniture refinishing and antiques. Originally "penned" as a scroll to market Ben's refinishing work on our website, this book also captures the history of our business over the years: how we got started; how we expanded; and ultimately, where it all lead. Along the way we share an appreciation of all things old and beautiful, hopefully revealing the inner potential of both human beings and old furniture. We also include some helpful tips and how-to's (most learned the hard way) in the hopes of helping and inspiring others who are on this journey. In any case, if you love seeing dramatic transformations and lots of photos of antiques, are in love with the idea of restoring antiques, are a do-it-yourselfer, are interested in starting a business, or are simply searching for an alternate world to get lost in, then perhaps this book is for you.
