Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

Horace Fletcher, an American health-food advocate of the Victorian era, earned the nickname "'The Great Masticator'" through his advocacy that food needed to be chewed thirty-two times before being swallowed. At the age of 58, he conducted a series of strength and endurance experiments at the Yale Gymnasium versus college athletes which claimed that Fletcher could outperform these athletes. Fletcher also had a great interest in human excreta, believing that it evidenced one's true nutrition. He also advocated for a low-protein diet as a means of health and well-being. Through this 1913 volume Fletcher explains his theories of health and well-being and how, you too, can become a Fletcherite.

When you see a ray of light in darkness, not only does it give you hope but it also shows a ray of new life. But what if that very small ray is another path to darkness? Herold was the light in my dark life, but after losing him I'm engulfed by darkness all over again. His death destroyed me. I left all my dreams, my friends and my life for him. No matter how hard I tried to move on he still lived in my memories. But meeting Alex was something I never expected. He came as a tenant in my house but yet whenever I was with him I felt this familiar pull towards him. It was like I have known him for a long time. But things took great turns between us. He made me laugh. He made me alive. He even made me fall in love again. But not everything lasts forever. Soon all these happiness wrecked my life like a hurricane when truth came into light. I was destroyed again when reality hit me. Everything that I have been through, everything I have felt...it was all a lie. I lost belief in love and trust. But what do you do when you have become so connected with the darkness that the ray of light you always looked for now scares you? When this very light endangers everyone you love? I should have never walked through this path of dark love knowing I will be destroyed again. But at the end somehow this dark love freed me.

Reviews of the first edition: The best roster of these phenomena--Wilson Library Bulletin; a good choice for any library--RQ. Now greatly expanded, the second edition includes over 7,000 (up from 3,500) homophones (words that sound alike) and over 1,400 (up from 600) homographs (look-alikes). Words are defined and cross referenced.

"Tall. Short. Big. Small. Bodies come in all shapes and sizes. They change as you get older. Making healthy choices, exercising, and getting enough sleep will help you be the best version of yourself. You only have one body, and it's important to love the one you have"--

Works by public art pioneers and collaborators Kate Ericson and Mel Ziegler, whose influential community-based interventions were marked by a poetic combination of conceptual and political ideas.

Experiments play a huge role in our decisions. Experimenting helps us find solutions to problems that we may encounter in life. Experimenting allows us to test our theories, and it also gives us new ideas.

There are specific rules that graphic designers have to follow. In this project, I was able to break the rules in order to understand them. In this project, I was able to experiment with typography. This book will showcase my experiments that were created through the use of typography morphology.

Three stories starring Golden Age heroes and featuring existential themes.

Packed with puzzles and activities: odd one out, counting and sorting, matching, word games, and jigsaws.

This expanded fourth edition defines and cross-references 9,040 homophones and 2,133 homographs (up from 7,870 and 1,554 in the 3rd ed.). As the most comprehensive compilation of American homophones (words that sound alike) and homographs (look-alikes), this latest edition serves well where even the most modern spell-checkers and word processors fail—although rain, reign, and rein may be spelled correctly, the context in which these words may appropriately be used is not obvious to a computer.

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.
