Anna Politkovskaya, one of Russia's most fearless journalists, was gunned down in a contract killing in Moscow in the fall of 2006. Just before her death, Politkovskaya completed this searing, intimate record of life in Russia from the parliamentary elections of December 2003 to the grim summer of 2005, when the nation was still reeling from the horrors of the Beslan school siege. In *A Russian Diary*, Politkovskaya dares to tell the truth about the devastation of Russia under Vladimir Putin—a truth all the more urgent since her tragic death. Writing with unflinching clarity, Politkovskaya depicts a society strangled by cynicism and corruption. As the Russian elections draw near, Politkovskaya describes how Putin neutralizes or jails his opponents, muzzles the press, shamelessly lies to the public—and then secures a sham landslide that plunges the populace into mass depression. In Moscow, oligarchs blow thousands of rubles on nights of partying while Russian soldiers freeze to death. Terrorist attacks become almost commonplace events. Basic freedoms dwindle daily. And then, in September

2004, armed terrorists take more than twelve hundred hostages in the Beslan school, and a different kind of madness descends. In prose incandescent with outrage, Politkovskaya captures both the horror and the absurdity of life in Putin's Russia: She fearlessly interviews a deranged Chechen warlord in his fortified lair. She records the numb grief of a mother who lost a child in the Beslan siege and yet clings to the delusion that her son will return home someday. The staggering ostentation of the new rich, the glimmer of hope that comes with the organization of the Party of Soldiers' Mothers, the mounting police brutality, the fathomless public apathy—all are woven into Politkovskaya's devastating portrait of Russia today. "If anybody thinks they can take comfort from the 'optimistic' forecast, let them do so," Politkovskaya writes. "It is certainly the easier way, but it is also a death sentence for our grandchildren." A Russian Diary is testament to Politkovskaya's ferocious refusal to take the easier way—and the terrible price she paid for it. It is a brilliant, uncompromising exposé of a deteriorating society by one of the world's bravest writers. Praise for Anna Politkovskaya "Anna Politkovskaya defined the human conscience. Her relentless pursuit of the truth in the face of danger and darkness testifies to her distinguished place in journalism—and humanity. This book deserves to be widely read." —Christiane Amanpour, chief international correspondent, CNN "Like all great investigative

reporters, Anna Politkovskaya brought forward human truths that rewrote the official story. We will continue to read her, and learn from her, for years.”

–Salman Rushdie “Suppression of freedom of speech, of expression, reaches its savage ultimate in the murder of a writer. Anna Politkovskaya refused to lie, in her work; her murder is a ghastly act, and an attack on world literature.” –Nadine Gordimer “Beyond mourning her, it would be more seemly to remember her by taking note of what she wrote.” –James Meek

'Nothing But the Truth' is a memoir by Marie Henein, Canadas top (and most controversial) defense lawyer, who successfully defended Ontario Attorney General Michael Bryan and then Jian Ghomeshi. At the time, the 8th Day Era of America was seen as enlightened. It stood as a testament to scientific advancement and of man's triumph over nature and instinct. Violent crime was relegated to the history books. Viewed as nothing but a barbaric scourge of the past. Murder went extinct, it had been cured. Mickey Moore grew up in this sanitized version of America. He was a drifter and a small-time cheat. As Mickey matured, he sharpened his con-game, and got by on the misfortunes of others. But trickery and dumb-luck eventually betrayed Mickey,

and he found himself broke and homeless as he approached middle age. Destitute and desperate, Mickey was hitching a ride across the New Mexico desert when fate shoved a new path before him. Under the bright rays of a dying sun, Mickey saw the impossible, he witnessed a murder. Shocked still in disbelief, he marveled at this primal display of man's feral past. The violence before him came at Mickey like a revelation. He was frightened, terrified in fact, but the con-man in him saw an opportunity. The sensation that Mickey felt was so strong, he felt as it awakened areas of his mind that the 8th Day Era's medicine had put to sleep. To package and sell such an experience was a million-dollar idea, and for the first time, Mickey actually believed in something. He would erect CrimeSpree, an amusement park, an interactive museum of man at his worst. Mickey's venture offered the American public the chance to participate in violence once again. At CrimeSpree, customers paid to play the parts of the victims of violent crime. It was all scary and lecherous fun, as a bored and uninspired public lined up to take part in the charade. But the fun and the games eventually put out the proverbial eye. The monster that Mickey created came to life and it dug human instinct out of the grave. The past was coming back around again. It was coming for America, and it was coming for Mickey.

Growing up going from one foster home to another like a game piece on a no-win board can shatter your view of yourself and the world. In my memoir, "I Swear to tell the truth, the Whole Truth, and nothing but the Truth, So Help Me God" I expose the thoughts and feelings I experienced as I struggled over the past two years to make sense of a life shattered by childhood abandonment, neglect, and abuse. It's difficult for people who live in secure homes to understand how being deprived of simple things like safety, security, and warmth can make you seek these things even in destructive ways. Even with the support of different social

For the past two years I struggled to escape the pain of being unwanted by seeking comfort in the world of alcohol, drugs, and sexual addiction three worlds that have nearly destroyed me. Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with

"Sanctify Christ as Lord in your hearts, always being ready to make a defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence." -1 Peter 3:15 Scripture is clear about the fact that we must be prepared to communicate the truth of the Gospel when given the opportunity—and do it with the right attitude. But even when your tone is gentle and respectful, what, specifically, should you say when asked or confronted about your faith? And what is your overall responsibility to unbelievers as a disciple of Christ? Pastor John MacArthur responds to these very questions and more—with solid, biblical answers focused in four particular areas: * your attitude * your preparedness * the content of your answers * your priority in witnessing

Imagine a world where babies are born and their names are instantly turned into corporations. Where birth certificates are worth millions. Where colonists took the law of the seas and imposed it onto the land. Corporations were classified as 'Persons' and had the ability to control, imprison and extract money from people. Where for certain groups of people, it was illegal to learn how to read and write or even own property. This isn't an imaginary world...this is the 20th century in the UNITED STATES OF AMERICA...allow me to explain.

From the co-author of Black Mass comes a gripping YA novel based on the true story of a teenage girl's murder — and a young father's false imprisonment for the crime. On a hot summer night in the late 1980s, in the Boston neighborhood of Roxbury, a fourteen-year-old African-American girl was sitting on a mailbox talking with her friends when she became the innocent victim of gang-related gunfire. Amid public outcry, an immediate manhunt was on to catch the murderer, and a young African-American man was quickly apprehended, charged, and — wrongly — convicted of the crime. Dick Lehr, a former reporter for the Boston Globe's famous Spotlight Team who worked on this story three decades ago, brings the case to light once more with *Trell*, a page-turning novel about the daughter of the imprisoned man, who persuades a reporter and a lawyer to help her prove her father's innocence. What pieces of evidence might have been overlooked? Can they manage to get to the truth before a dangerous character from the neighborhood gets to them?

Lubet's *Nothing But The Truth* presents a novel and engaging analysis of the role of storytelling in trial advocacy. The best lawyers are storytellers, he explains, who take the raw and disjointed observations of witnesses and transform them into coherent and persuasive

Access Free Nothing But The Truth Selected Dispatches

narratives. Critics of the adversary system, of course, have little patience for storytelling, regarding trial lawyers as flimflam artists who use sly means and cunning rhetoric to befuddle witnesses and bamboozle juries. Why not simply allow the witnesses to speak their minds, without the distorting influence of lawyers' stratagems and feints? But Lubet demonstrates that the craft of lawyer storytelling is a legitimate technique for determining the truth and not at all coincidentally for providing the best defense for the attorney's client. Storytelling accomplishes three important purposes at trial. It helps to establish a "theory of the case," which is a plausible and reasonable explanation of the underlying events, presented in the light most favorable to the attorney's client. Storytelling also develops the "trial theme," which is the lawyer's way of adding moral force to the desired outcome. Most importantly, storytelling provides a coherent "story frame," which organizes all of the events, transactions, and other surrounding facts into an easily understandable narrative context. As with all powerful tools, storytelling may be misused to ill purposes. Therefore, as Lubet explains, lawyers do not have *carte blanche* to tell whatever stories they choose. It is a creative process to be sure, but every story must ultimately be based on "nothing but the truth." There is no room for lying. On the other hand, it is obvious that trial lawyers never tell "the whole truth," since life and experience are boundless and therefore not fully describable. No lawyer or court of law can ever get at the whole truth, but the attorney who effectively employs the techniques of storytelling will do the best job of sorting out competing claims and facts, thereby helping the court arrive at a decision that serves the goals of accuracy and justice. To illustrate the various challenges, benefits, and complexities of storytelling, Lubet elaborates the stories of six different trials. Some of the cases are real, including John Brown and Wyatt Earp, while some are fictional,

Access Free Nothing But The Truth Selected Dispatches

including Atticus Finch and Liberty Valance. In each chapter, the emphasis is on the narrative itself, emphasizing the trial's rich context of facts and personalities. The overall conclusion, as Lubet puts it, is that "purposive storytelling provides a necessary dimension to our adversary system of justice."
