A powerful resistance leader, a carefree playboy, and a romance so forbidden the world may not survive Freya was created to destroy enemies of the state. After developing psychic powers, she stumbles on secrets that could crumble the world as they know it. In her heart, she gives her loyalty to the Resistance, but she will risk the lives of everyone on the planet if she acts. To help repopulate the planet after a virus decimated the male population centuries ago, Bash was born for one purpose and one purpose alone. To naturally repopulate the Resistance. Constantly chased by the women of the Resistance who want to make their place in history, Bash detests meaningless flings. When Freya and Bash manage to escape with each other after a vicious firefight, the last thing they expect is to find love. Can Freya put aside her need for vengeance against the government to open her heart to something besides hate? Can Bash deny fate and society to stay with the one woman of his dreams? Vengeance Unveiled is the first book of The Vengeance Trilogy. If you love headstrong women, badass heroes, and romance so steamy it will knock off your socks, then you won't want to miss out. Download Vengeance Unveiled to keep you sizzling all night long! Don't miss any of the Vengeance series: Book 0.5 - Vengeance Due Book 1 - Vengeance Unveiled Book 1.5 - Celebrating Vengeance Book 2 - Vengeance Executed Book 3 - Vengeance Denied

A forbidden romance so dangerous, the planet might not survive. I've seen first hand what happens when the government's power goes unchecked. Actually, I'm a product of that power. Enhanced with telekinesis, telepathy, a body built for stealth, and an emotion regulation chip that prevents me from feeling anything, I'm the perfect weapon to destroy the rebels... except they don't know I secretly work for the Resistance. Then I run into a man, the last one known to exist. I have to save him, so he can save the world. Except, Bash is more than he appears to be. With a talent for hacking like no other, he could be the key to finally destroying the dystopia. He's all kinds of off limits, but when he looks at me in a way that leaves me wondering what he'd feel like, I don't think I can pass on this one chance to feel something. Fans of Suzanne Collins, Sherrilyn Kenyon, K.F. Breene, and Ilona Andrews will love this dystopian romance trilogy full of heartache, impossible odds, betrayal, and forbidden love. The Vengeance Trilogy is a complete series containing a butt-kicking heroine, a wounded cyborg hero and his annoying AI in a romance so steamy it will melt your socks off, then you won't want to miss out on them finding their own HEA. Content Warning: 18+ This omnibus contains steamy consensual adult situations, alien abductions, adult language, violence, flashbacks with off page references to assault, infertility, a couple constantly trying to sacrifice themselves for each other, awakening emotions, and a guaranteed happily ever after.

Stay The Hand Of Vengeance is a systematic and comparative account of the politics of international war crimes tribunals.

Norse & Viking Mythology, Paranormal & Urban Fantasy Love between wolf shifters and hunters is forbidden for good reasons, but

Valkyrie Victoria Storm never imagined her star-crossed affair would ignite a war. With the thirty-year alliance between their peoples shattered and hundreds dead, blame falls squarely on her. Forced to atone for her mistakes, she leads her ragtag pack of werewolves to what should be safe haven. Homeless, hungry, and hunted, it's their last hope. The Hunter King ruins Victoria's plans when he arrives in town. She and her pack should run, but the goddess Freya has other ideas. Children are missing. Victoria is tasked with joining the Hunter—her enemy—to stage a rescue. Working together will either heal the rift between wolf shifters and Hunters or force them to tread separate paths forever. PRAISE FOR THE LOKI'S WOLVES / RAGNAROK: DOOM OF THE GODS SERIES: This book is a great time! It combines all the best elements of the paranormal with aspine-chilling mystery. Although short, it is a well-told story full of twists and turns. The author has a light easy-going touch with a descriptive style that draws the reader into the action. Although a little light on the shape-shifting aspect of the characters, the story explores other aspects of the supernatural, drawing inspiration from Viking mythology. This use of mythology in a modern way opens up a plethora of new ideas for the genre. "Valkyrie's Vengeance" is a niceeasy read, perfect for unwinding after work or on a Sunday afternoon. ~InD'Tale Magazine RONE Awards 2016 Finalist Fans of the following books and series are known to enjoy this Norse & Viking mythology, paranormal & urban fantasy series: neil gaiman debra dunbar jim butcher bella forrest ilona andrews charlaine harris christine pope ann gimpel cj brightley mark e cooper patricia briggs shannon mayer helen harper eva pohler ron neito st bende nancy straight kf breene lara adrian victoria danann joanne m. harris edith hamilton padraic colum a s byatt mable h cummings rick riordan roger green poul anderson Keywords related to this Norse & Viking mythology, paranormal & urban fantasy series: Loki, Fantasy Books, Epic Sagas, Werewolves and Shifters, Animals & Nature, Popular Series, Paranormal Fantasy Books, Top Rated Books, Tricks, Fantasy Omnibus, Spells & Charms, Romance Books, Loki Books, Wizards, Fantasy Romance Books, Essential Reads, Grimm's Complete Fairy Tales, Epic Fantasy, Vampires, Omnibus Bundle, Paranormal Romance Series, Adventure Books, Mythology and Folklore, Top Rated Fantasy Collection With Vikings And Shapeshifters, Fantasy Bundle, Heroine, Dryads, Supernatural and Occult, Sword And Sorcery, Shifter Romance, Modern Paranormal Romance Series, Fantasy Stories, Shifter Series, Fantasy, Urban Fantasy Books, Shifter Omnibus, Best Rated Omnibus, Omnibus Collection, Paranormal Romance Books, Magical Adventures, Alpha, Warriors, Shadow, Asgard Stories, Demon, Chaos, Fairy Tales, Thor, Odin, Freya, Frigg, Angel, Wolves.

Deftly demonstrates how politics, law, and policy intersect in the quest for accountability for violations of international humanitarian law.

The International Criminal Court remains a sensitive issue in U.S. foreign policy circles. It was agreed to at the tail end of the Clinton administration, but with serious reservations. In 2002 the Bush administration ceremoniously reversed course and "unsigned" the Rome Statute that had established the Court. But recent developments in Washington and elsewhere indicate that the United States may be moving toward de facto acceptance of the Court and active cooperation in its mission. In Means to an End, Lee Feinstein and Tod Lindberg reassess the relationship of the United States and the ICC, as well as American policy

toward international justice more broadly. Praise for the hardcover edition of Means to an End "Books of this sort are all too rare. Two experienced policy intellectuals, one liberal, one conservative, have come together to find common ground on a controversial foreign policy issue.... The book is short, but it goes a long way toward clearing the ideological air." — Foreign Affairs "A well-researched and timely contribution to the debate over America's proper relationship to the International Criminal Court. Rigorous in its arguments and humane in its conclusions, the volume is an indispensable guide for scholars and policymakers alike." —Madeleine K. Albright, former U.S. Secretary of State "Two of our nation's leading authorities on preventing atrocities have joined to make a convincing argument that closer cooperation with the International Criminal Court will help promote human rights and the values on which America was founded." —Angelina Jolie, co-chair, Jolie-Pitt Foundation

"J. D. Cooper had left no stone unturned when investigating a cold case that hit much too close to home. Or so he'd thought. Thanks to small-town deputy Natalie Becker, new evidence had surfaced that might lead J.D. closer to the truth. But Natalie had a stake in this situation, too, and claimed that joining forces was their best strategy - and their best hope. Problem was, after years of working alone to solve a seemingly unsolvable crime, J.D. found himself distracted by his beautiful partner and her passion for doing the right thing. He'd never met anyone like her and that scared him as much as this unidentifiable madman ... until Natalie was made his next target" --P. [4] of cover.

~Winner, Best Erotic Sci-Fi, The Romance Reviews Reader's Pick Awards~ ON HIS PLANET, WOMEN ARE PUNISHED WHEN THEY DISOBEY... Dr. Lara Simmons can handle difficult surgeries on the battlefield of a war-torn planet. She can even handle her capture by rebels who need her skills to save the life of an important figure-head. But she wasn't prepared for being stuck out in the wilderness with Blade Vengeance, the fierce tattooed rebel warrior with antiquated views of gender roles and punishment. Dominant and unyielding, he doesn't hesitate to take her in hand when she disobeys his rules. Yet he also delivers pleasure--with a passion she's never before experienced. Blade finds the doctor from Earth sexy as hell, especially when she's giving him attitude, but once he delivers her safely to headquarters, he pulls back from her allure. Known for single-handedly starting the revolution and freeing many of his people, his life is one of hardship, slavery and war. Going soft on a woman isn't part of his plan, especially with the final strike of the revolution so close. But when he sends Lara back to Earth to keep her safe during the upcoming battle, he inadvertently delivers her into enemy hands. Can he find and save her from the revolution he caused? That night she was Marilyn, and she was looking for a man to kill. She had fought the rising urge for a month – ever since the night she murdered her father. She thought exacting ultimate revenge on her father would finally end her agony and put to rest her shame and self-loathing. But she was wrong. The hurt began to return. The humiliation continued to gnaw at her soul. Morgan and Rhonda Early are summoned to the Bimini Bay Resort and Casino by their friend Daisy Bain. Male guests in the resort are found dead in their beds. Bewildering evidence is found on the victim's bodies. Different beautiful women are observed with the men on the casino video tapes, but there is no evidence the women were in the rooms. Rhonda and Morgan struggle to learn the identity of the killer or killers. A single item of physical evidence is available for analysis. Will this be enough to prevent additional killings?

How did medieval society deal with private justice, with grudges, and with violent emotions? This ground-breaking reader collects for the first time a number of unpublished or difficult-to-find texts that address violence and emotion in the Middle Ages. The sources collected here illustrate the power and reach of the language of vengeance in medieval European society. They span the early, high, and later middle ages, and capture a range of perspectives including legal sources, learned commentaries, narratives, and documents of practice. Though social elites necessarily figure prominently in all medieval sources, sources concerning relatively low-status individuals and sources pertaining to women are included. The sources range from saints' lives that illustrate the idea of vengeance to later medieval court records concerning vengeful practices. A secondary goal of the collection is to illustrate the prominence of mechanisms for peacemaking in medieval European society. The introduction traces recent scholarly developments in the study of vengeance and discusses the significance of these concepts for medieval political and social history. Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9780691092782 9780691049229 .

Once, the people of the goddess lived in quiet harmony with magic throughout the continent. Then invaders crossed the mountains and seas to lay claim to their lands. A few archaic ruins are all that remains of their once thriving culture. Except in Hara Dale... For millennia, Lia's family has guarded an ancient power forgotten by the rest of the world. Now, an unwanted betrothal agreement with a neighboring prince, a compelling stranger hiding vengeful secrets, and the specter of dark sorcery threaten to expose her valley's hidden mysteries. And destroy everything Lia is sworn to protect. Torn between love and duty, Lia is forced to confront the blood magic menacing her land. Desperate to save her people, she'll do whatever it takes to win. Even if it means sacrificing her heart's desire. Looking for slow burn, sweet fantasy romance with strong women, magic, and adventure? Dive into the Lost Shrines series and download *By Vengeance Guided* today!

International justice has become a crucial part of the ongoing political debates about the future of shattered societies like Bosnia, Kosovo, Rwanda, Cambodia, and Chile. Why do our governments sometimes display such striking idealism in the face of war crimes and atrocities abroad, and at other times cynically abandon the pursuit of international justice altogether? Why today does justice seem so slow to come for war crimes victims in the Balkans? In this book, Gary Bass offers an unprecedented look at the politics behind international war crimes tribunals, combining analysis with investigative reporting and a broad historical perspective. The Nuremberg trials powerfully demonstrated how effective war crimes tribunals can be. But there have been many other important tribunals that have not been as successful, and which have been largely left out of today's debates about international justice. This timely book brings them in, using primary documents to examine the aftermath of the Napoleonic Wars, World War I, the Armenian genocide, World War II, and the recent wars in the former Yugoslavia. Bass explains that bringing war criminals to justice can be a military ordeal, a source of endless legal frustration, as well as a diplomatic nightmare. The book

she saw the rider wave. She remained hidden in the gully. She saw the rider pull up just short of what she guessed would be accurate rifle range. The rider dismounted, hobbled his horse and melted into the tall grass. She thought, his actions confirm my guess that it is Guy Grimes. Sue reasoned that Guy Grimes would try to get between the man on foot and the far away woodlands to the east, thus placing him in a box between her and Guy. She slowly started working her way down the gully. At this point, Sue was convinced that Chad Brode had somehow fallen in an unplanned trap between her and a seasoned officer of the law. Her next thought, will good triumph over evil? She would soon learn the answer to her question.

Vengeance is the story of a group of young people caught up in a world of conspiracy, betrayal, inner-city violence and racial turmoil. To uncover the mystery of The Complot, a team of unlikely, unacquainted, untested young men and women is assembled. So dysfunctional are they, that the task of uniting them proves a monumental challenge rivaled only by the effort of unveiling the enemy. The conflict isn't if they can solve the mystery. It's whether they can come together to do so.

Paul Crabtree, a twenty-first century Oklahoma City police officer, having helped Samuel Benjamin, a deputy U.S. marshal who claimed to be from nineteenth-century Indian Territory return to his own time now finds the situations reversed. While attempting to solve the question of why the two lawmen have been brought together in time they get caught up chasing outlaws creating havoc within the Indian Territories. For Paul it is now not a matter of getting back, but about surviving in a region that has become known for outlaws running from the law for crimes committed in the surrounding states and too few U.S. deputy marshals to patrol the area.

James examines at a broad level the concept of universalistic and "dignitarian" human rights, as expressed in such covenants as the International Bill of Rights, two United Nations documents published in 1966 that delineate civil, political, economic, social and cultural rights for all human beings. He gives an interdisciplinary account of the historical, legal, political, theoretical and philosophical development of ideas about human rights from the beginnings of our understanding of them up to 1939, describes the horrors of World War II and the resulting goal of the then-developing UN to create a universal declaration of human rights, and examines the often clashing concepts and motivations behind the creation of the 1966 covenants.

The Montclair Brothers know they can't always wait for the law to do what's right. After all, they've been known to do whatever it takes to save one of their own, while banding together to create one indestructible force. Losing a battle is never an option for this family, and they never run from a fight. With strong women backing them, how could anything go wrong? Working together has always gotten them through dangerous situations. But now, will the Montclair men be forced to divide and act on blind faith? Their darkest hour has arrived, and death is on their doorstep. Will they sink or swim in the treacherous pull of the tides of defeat? The group of friends will be forced to fight with a vengeance against the enemy. Or is there more than one?

Book three in the nationally best-selling Manticore Ascendant series, a prequel series to David Weber's multiple New York Times best-selling Honor Harrington series. Sequel to *A Call to Duty* and *A Call to Arms*. After the disastrous attack on the Manticoran home system by forces unknown, the Royal Manticoran Navy stands on the brink of collapse. A shadowy enemy with the resources to hurl warships across hundreds of light years seeks to conquer the Star Kingdom for reasons unknown, while forces from within Manticore's own government seek to discredit and weaken the Navy for reasons very much known: their own political gain. It's up to officers like Travis Long and Lisa Donnelly to defend the Star Kingdom and the Royal Manticoran Navy from these threats, but the challenge is greater than any they have faced before. Weakened but not defeated, the mercenary forces and their mysterious employer could return at any time, and the anti-Navy faction within Parliament is growing. The situation becomes even more dire when fresh tragedy strikes the Star Kingdom. While the House of Winton faces their enemies at home, Travis, Lisa, and the other officers of the Royal Manticoran Navy must reunite with old friends and join new allies to hunt down and eliminate the forces arrayed against them in a galaxy-spanning conspiracy. Manticore has learned that the universe is not a safe place, but the Star Kingdom's enemies are about to learn it's dangerous to mess with the Manticore!

Possessed of immeasurable patience, Sebastian, the Demon of Vengeance, has finally been pushed to his limits. His mission is to keep the new Guardian safe until the Sword of Kathnesh is retrieved, but the alluring woman seems to thrive on throwing herself into harm's way at every opportunity. Sebastian is forced to resort to dark magic to save her life--and unwittingly paints a target on her back. Finding the sacred relic is Phoebe Mackenzie's task, and protecting it is her family's legacy. She's determined to live up to the duty and won't be deterred, not even when she realizes she's lost her heart to the sexy, overprotective demon. Sebastian will do whatever it takes to protect Phoebe, even battle an age old nemesis to the death. But in unleashing the raging storm inside him, he risks losing the woman he can't live without. With the barriers between Earth and Hell hanging in the balance, and Phoebe's safety on the line, how will he ever choose? A woman with a hidden past. A new love on the horizon. Will the truth set her free or cost her everything? In *Parallel Lies* Madeleine Ross has meticulously organized her world to leave no trace of her criminal past. After creating a new identity for herself, her only remaining connection to her previous life is the security work she does for a small-town insurance company. But when she starts falling for her handsome boss, Dan, she's worried letting him in will expose secrets best kept locked away... As their attraction grows stronger, Madeline's attempts to keep Dan in the dark go horribly wrong when a dangerous ex emerges from her unsavoury past. After her former flame gives her an offer she can't refuse, she has one choice left: ditch her life as a thief to let Dan in or embrace her shady dealings to destroy her only shot at a happy future... As the story continues in *Loving Vengeance*, Madeleine's world, once so organised, is a mess. Suffering
