Meet Alex, Evan, John, and Jackson—the Bishop Brothers. The Bishop brothers are sexy, southern gentlemen who have been known to break a few hearts. They are the epitome of unattainability, but it doesn't mean they won't settle down when they meet the right woman. Taming Him Two weeks on the beach is what Alex and River need. No strings attached, no expectations, no broken hearts. Too bad the universe has other plans—one that'll change the entire course of their lives in just nine short months. Needing Him Evan and Emily want the same thing—one night of passion then they'll go their separate ways. No cuddling afterward. No next day phone calls. No awkward goodbyes. Unfortunately, when they report to work on Monday morning, they realize that's not going to happen now that they're co-workers. Chasing Him John and Mila know better than to mix business with pleasure, especially since she's the nanny. That means no stolen glances and definitely no kissing behind closed doors—as impossible as that is. As they grow closer and their feelings become stronger, something happens that could take away the thing that binds them together. Keeping Him Jackson has lost his best friend Kiera for good and can only blame himself. He can't bear to watch the woman he loves walk down the aisle to someone else. Kiera's been having second thoughts and knows she can't let Jackson go. She'll do whatever it takes to keep him—even if it means running out on her wedding.
