Simplified Chinese edition of *Lies My Teacher Told Me: Everything Your American History Textbook Got Wrong*. Loewen surveyed 18 high school history textbooks and was appalled at the amount of myths, misinformation, blind patriotism, and even lies that mislead our students. It's an eye-opener. In Simplified Chinese. Distributed by Tsai Fong Books, Inc.

The citations...refer not only to the official reports, but also to the National Reporter System, to the American Reports, American Decisions, American State Reports, and the Lawyers Reports Annotated, as well as...law magazines which frequently give more reports than the official series.

This volume presents thirty-nine interpretive biographical essays on all first ladies, from Martha Washington to America's newest First Lady, Laura Bush. This new edition contains updated material on all the living First Ladies and updated bibliographies for each entry, as well as a portrait of the newest First Lady.

List of Rhodes scholars, 1904-1915: v.2 p. [145]-161. Vol. for 1934- include Addresses and occupations of Rhodes scholars and other Oxonians (called 1934-36, Addresses and occupations of Rhodes scholars).

Criticizes the way history is presented in current textbooks, and suggests a fresh and more accurate approach to teaching American history.

Since its first publication in 1995, *Lies My Teacher Told Me* has gone on to win an American Book Award, the Oliver Cromwell Cox Award for Distinguished Anti-Racist Scholarship, and to sell over half a million copies in its various editions. What started out as a survey of the twelve leading American history textbooks has ended up being what the San Francisco Chronicle calls "an extremely convincing plea for truth in education." In *Lies My Teacher Told Me*, James W. Loewen brings history alive in all its complexity and ambiguity. Beginning with pre-Columbian history and ranging over characters and events as diverse as Reconstruction, Helen Keller, the first Thanksgiving, and the Mai Lai massacre, Loewen offers an eye-opening critique of existing textbooks, and a wonderful retelling of American history as it should—and could—be taught to American students. This 10th anniversary edition features a handsome new cover and a new introduction by the author.
