CTET/TET is a mandatory exam for those who wish to become a teacher (for Class I to VIII) in Government schools (& even private schools) in India. Since the inception of this exam in 2011, lakhs of candidates appear for this exam every year from across India, however, only a small percentage of candidates (less than 15%) are able to clear the exam. What differentiates these candidates from those who are not able to clear the exam? It's nothing but their strategy & planning about how they prepare for this exam. There are so many books in the market on CTET telling you about "what to study for CTET", however, this book is one of those few books that will tell you "how to study for CTET". There are a large number of candidates who are not able to qualify the exam just by a small margin of marks. This book will help all those candidates to bring that small change in their preparation strategy which will probably help them to crack CTET/TET exam in one attempt. Read the book and bring that small change in your preparation to taste the success.
