Read Crazy Love in Simplified Chinese! Now you can experience Francis Chan's life-changing message in this Simplified Chinese version of Crazy Love. God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts-it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Every person is driven by something. What drives your life? Is it money? Power? Popularity? Ambition? Validation? Acceptance? Pastor Rick Warren's bestseller, The Purpose Driven Life, encouraged millions of readers to live their lives with God's purpose in mind. It is a book that focused on how our Creator designed us to live our lives. However, as a pastor for over thirty years I've discovered that most people miss the point. I believe that most people are letting the "Emotion Driven Life" guide them. I've discovered that emotions like lust, bitterness, anger, guilt, and fear direct a lot of our choices. This is not God's will for us. God didn't create you to be imprisoned by your emotions. In this book, we are going to explore emotions that can rob you of your potential and help you get control of them, so that you can reach your destiny.
