

The Sirens Of Sass Anthology

Selected by Ross Gay as winner of the inaugural Jake Adam York Prize, Analicia Sotelo's debut collection of poems is a vivid portrait of the artist as a young woman. In *Virgin*, Sotelo walks the line between autobiography and mythmaking, offering up identities like dishes at a feast. These poems devour and complicate tropes of femininity—of naiveté, of careless abandon—before sharply exploring the intelligence and fortitude of women, how “far & wide, / how dark & deep / this frigid female mind can go.” A schoolgirl hopelessly in love. A daughter abandoned by her father. A seeming innocent in a cherry-red cardigan, lurking at the margins of a Texas barbeque. A contemporary Ariadne with her monstrous Theseus. A writer with a penchant for metaphor and a character who thwarts her own best efforts. “A Mexican American fascinator.” At every step, Sotelo's poems seduce with history, folklore, and sensory detail—grilled meat, golden habañeros, and burnt sugar—before delivering clear-eyed and eviscerating insights into power, deceit, relationships, and ourselves. Here is what it means to love someone without truly understanding them. Here is what it means to be cruel. And here is what it means to become an artist, of words and of the self. Blistering and gorgeous, *Virgin* is an audacious act of imaginative self-mythology from one of our most promising young poets.

Award Winning Author Lydia Michaels enters the world of DARK ROMANCE with an unforgettably suspenseful psychological thriller! IT'S GOING TO HURT... Callan MacGregor might speak with the eloquence of a Scottish poet, but a hard life has turned him into a merciless killer. With a first-hand account of hell, he trusts nothing and no one but the hollow hurt tortured into his bones. Sacrificing all, he must escape Scotland to survive. Emery Tanner is captivated—to the point of obsession—by the stunning Scotsman tending bar at the Imperial Hotel. With as many dark secrets as he has scars, she hungers to know every exquisite inch of him, but her shy nature leaves her tongue-tied. Despite her sense that innate kindness rests beneath his savage surface, Callan MacGregor is a man to approach with caution—if not fear. When tragedy strikes and Emery's world is shattered, she learns just how ruthless Callan can be. Violence has shaped his soul and love has always led to loss in both their broken lives. But as secrets are exposed, they find truth within the hurt and awaken a desire to become whole once more.

When Finnegan McCullough gets a flat tire he bumps into a woman he's never seen before. After a stern lecture on trespassing, he offers her a ride and a friendship takes shape. After literally crashing into Finnegan McCullough, Mallory is a hot, tongue-tied, mess. A true lumberjack, he wears his flannel well and possesses the sexiest smile she's ever had thrown her way. Unfortunately, men like that don't look at girls like her. When Finn confesses his desire to be more than friends, Mallory is shocked. After years of being the 'fat girl' she knows better than to believe a man like Finn could ever find her attractive. But she's gotten under his skin and Finn is determined to show Mallory how beautiful she truly is. A realistic and heartwarming romance that proves love and beauty come in all shapes and sizes.

This collection highlights the personal accounts of participants who witnessed some aspect of the events in the Pentagon that day: the survivors, some of whom were injured; policemen; firefighters; medical personnel; observers; others involved in the rescue and recovery efforts; and building occupants.

When Ryan Clooney moves to the outskirts of his small town, the last thing he expects to find is love. Cursed to always be single, he's burned-out on blind dates and pity “plus-ones”. He's through waiting for The One to arrive. But once he meets Maggie, the beautiful, young widow next door, his plans change. Maggie O'Malley is not looking for love. Since losing her husband, she has withdrawn from small-town life and prefers to be left alone. Nicole is without a doubt the oddest creature I've ever met. As far as therapists go, she's pretty damn good, even though her methods are way the hell out there. And while she's been using my climbing gym for her afterschool sessions for years now, lately, I've been having a tough time getting her out of my head. But, there's a reason I've stayed unwaveringly single while raising my kid for the last decade,

and the last thing I need is to have my world turned upside down by this sexy little smarty with her bleeding heart and her uncanny ability to push all my buttons. So, when the maddeningly persuasive woman manages to somehow goad me into an admittedly entertaining challenge, obviously, I know I should just walk away... But I don't. * * * * * Logan is without a doubt the most fascinating man I've ever met. As far as billionaires go, he's hardly typical. He's practically allergic to the indoors, stubborn to the extreme, and an absolute teddy bear—of the burly, overprotective variety—when it comes to his daughter. I'm well aware that he thinks I'm a bit of a weirdo. And frankly, I'm good with that status quo, especially given our history. The last thing I need is to develop an ill-advised crush on the gorgeous workaholic with his quietly intense charm and his strange ability to make the air seem thinner. So, when the unfairly distracting man manages to Jedi-mind-trick me into letting him set the stakes for our fun little challenge, obviously, I know I should just walk away... But I don't. * * * * * The HARD, FAST, AND FOREVER Series - Book 1: Bare Ass in Love (Jason & Summer) - Book 2: Hard Ass in Love (Logan & Nicole) - Book 3: Gruff Ass in Love (Cade & Katelyn) ***Previously titled Work Me Up – same fun story, just with a fresh title/cover makeover***
