In 1960, *To Kill a Mockingbird* was published to critical acclaim. To commemorate *To Kill a Mockingbird*'s 50th anniversary, Michael J. Meyer has assembled a collection of new essays that celebrate this enduring work of American literature. These essays approach the novel from educational, legal, social, and thematic perspectives. Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch. An American classic that frequently appears in middle school and high school curriculums, the novel has been subjected to criticism for its subject matter and language. Still relevant and meaningful, *To Kill a Mockingbird* has nonetheless been under-appreciated by many critics. There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students. These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today. Intended for high school and undergraduate usage, as well as for teachers planning to use *To Kill a Mockingbird* in their classrooms, this collection will be a valuable resource for all teachers of American literature.

The book traces the changing relation and intense debates between law and literature in U.S. American culture, using examples from the 18th to the 20th century (including novels by Charles Brockden Brown, James Fenimore Cooper, Harper Lee, and William Gaddis). Since the early American republic, the critical representation of legal matters in literary fictions and cultural narratives about the law served an important function for the cultural imagination and legitimation of law and justice in the United States. One of the most essential questions that literary representations of the law are concerned with, the study argues, is the unstable relation between language and truth, or, more specifically, between rhetoric and evidence. In examining the truth claims of legal language and rhetoric and the evidentiary procedures and protocols which are meant to stabilize these claims, literary fictions about the law aim to provide an alternative public discourse that translates the law's abstractions into exemplary stories of individual experience. Yet while literature may thus strive to institute itself as an ethical counter narrative to the law, in order to become, in Shelley's famous phrase "the legislator of the world", it has to face the instability of its own relation to truth. The critical investigation of legal rhetoric in literary fiction thus also and inevitably entails a negotiation of the intrinsic value of literary evidence.

Even, Scout and Jem are tormented at school for their father's decision. Atticus

however asks them not to get carried away by the town's immature behavior. As the trial begins, Scout and Jem are convinced that there is no way that Tom Robinson could have beaten and raped Mayella Ewell. He is a handicapped man with as his left hand being crippled. Atticus proves this fact to the jury, and everyone is surprised when the jury finds Tom guilty. The reality of life dawns on the kids as they see the prejudice against blacks. They find it difficult to understand why people are biased and mean to each other, a fact that was evident even in court. They are hurt and saddened. Very soon Tom is shot and killed while trying to escape from prison. Jem has a hard time swallowing the events that unfolded before his eyes. It takes long time for him to come to terms with the jury's decision and Tom's death. After the trial Bob Ewell, Mayella's father, begins to threaten Atticus for embarrassing him in court. He warns him that repay him for all the shame he had to endure. Atticus is unfazed and he shrugs off the Ewell as a loud mouth. Many months pass by and Bob Ewell finally gets a chance to prove his words. He attacks the children while they returned from the school on Halloween night. He wields a knife and tries to stab them and breaks Jem's arm and almost kills Scout. Boo Radley, comes to their rescue and saves them. The sheriff, Heck Tate, hushes the whole thing over and maintains that Ewell fell on his own knife and dies. Boo Radley will not be dragged into the spotlight, and Scout is thrilled to finally get to meet him. She had spent her entire childhood fantasizing about this man.
