Thoroughbred horse racing is the most popular form of horse racing the whole world. It is so popular that some people do not know of any other form of horse racing. Thoroughbred horse racing is also known by some people as the sport of kings? Usually, a thoroughbred horse owner would hire a trainer to condition the horse for only one type of race. This is because a good trainer knows that there is a best training regimen for every type of race. The owner may also opt to enter the horse in races that are somewhat similar to what it is in training for.

'Bet for fun and WIN' is a very comprehensive and easy read of varying aspects of the authors twenty years experience of betting on the horses. How to enjoy a day at the races-and bet to win! The last two years have seen a record number of Americans tune in for climatic Triple Crown races featuring Smarty Jones and Funny Cide; in 2004, television viewership jumped a whopping 61 percent over the record set in 2003, and the Belmont Stakes race itself drew a record crowd of more than 120,000! This easy-to-understand guide shows first-time visitors to the track how to enjoy the sport of horse racing-and make smart bets. It explains what goes on at the track, what to look for in horses and jockeys, how to read a racing form and do simple handicapping, and how to manage betting funds and make wagers that stand a good chance of paying off. Complete with coverage of off-track and online betting, it's just what anyone needs to play the ponies-and win! Richard Eng (Las Vegas, NV) is a racing writer and handicapper for the Las Vegas Review-Journal, a columnist for the Daily Racing Form, and the host of a horseracing radio program in Las Vegas. He was formerly a part of the ABC Sports team that covered the Triple Crown.

inserted my email address at the end of the book. Plus feel free to email me if you have any questions or need any help. This horse racing system took me approximately 12 months to computer model and test primarily around UK handicap horse races. This would have not been possible without my 10 years database of horse form and my I.T. computer skills. Handicap horse racing fascinates me I find it a great puzzle to solve and love form variables like weight, official rating and many more. This horse racing system has four simple steps that find winners daily and I have outlined tips to get more profit. I like using this system for betting singles and doubles which are lethal and produce massive profits! In the book I have covered a horse race in extensive detail so that you understand the system and how to apply the horse racing system to each race quickly and thus finding winners easily.

**Introduction** The title of this book is a bold statement and one cannot really state this unless you put your money where your mouth is! I have written many books around UK horse racing systems and this one I really enjoyed due to the simplicity of this horse racing system and how easy it is to apply. The system uses the excellent free racing post website where you can obtain all the form data you need to use this system. Plus you do not have to be a form expert to understand it. I personally think horse racing pundits make heavy weather of horse racing form, i.e. looking at a horse's breeding and many other factors. I think this information just confuses the average punter. I have added a special bonus horse laying system in this book and I think you will enjoy it! This laying system is so easy to follow you will look back at all the bets you have placed in the past and wonder how did I get it so wrong! Yes it will hurt knowing how much money you lost when you

should have not. Moving back onto the horse backing system, picking winners will be very easy for you and even more you will gain confidence and control in your betting. This horse racing system normally picks 2 to 3 horses per day in UK handicap horse racing markets. You should aim at using Betfair to place your bets due to the better prices and in-play tactic I will show you in this book. Understand the system before placing bets, I hope you enjoy it!

betting game, horse racing has been embraced by so many countries in the world. As a matter of fact, the countries that authorize the existence of this wagering game are reaping enormous earnings through it. Only that some countries that patronize this kind of betting game vary in the racing events that are included in the game, the distances of the racing track and the technique used in racing. **GRAB A COPY TODAY!**

By a Nose: Gambling Tales from a Horseracing Insider Author Jim Gentile likes to gamble. It's in his genes, thanks to his father. As a teenager, an \$88 Quinella at Arlington Park hooked him. Since then, he has had many a lucky day. He parlayed his passion for "playing the horses" into a thirty-year career working at seven Chicago-area tracks. This book provides a peek behind the gate of the horseracing industry. It's a humorous account of Jim's experiences in the trenches as a teller, ticket room clerk, cashier, manager, and senior auditor, with plenty of opportunity to hone his skills as a bettor: " On Wednesdays — payday — there were three lines at the in-town tracks: one line to get your check, another line to cash your check, and the third line was to pay back your gambling losses. If you only went to line one, you were way ahead of the game." An odd cast of characters is woven throughout these memorable stories. You'll meet, among others: Gravelly-voiced Aunt Flo who blew her

husband's entire savings at the racetrack while he was on a WWII Navy ship. "Uncle Dick thought he was returning home to a comfortable nest egg, only to find out that Aunt Flo did not understand the nest egg concept — she had gambled away every cent. To his credit, as the story was told to me, Uncle Dick went on a four-day bender and Aunt Flo lived to tell the tale." Two overly eager co-workers whose wily wagers cost them their jobs: "By the last race Howie was in the box for over \$76,000! With only one race left, his only hope was to hit the Trifecta. Hey, what's another \$24,000 when you are already stuck 76 large." "Louie's eyes were glued to the television, as the lead horse was ahead by 3 lengths on the backstretch. He quickly punched in \$200 to win, the maximum bet the machine would allow, punched the number of the horse on the lead, and started hitting the repeat button. This feature allowed clerks to issue multiple tickets rapidly and Louie was working that machine like a construction worker holding a jackhammer." Tommy and his plan to rule roulette: "When the ball bounced around it landed on red, but only momentarily before it leaped into a black slot like a poisonous frog." Tommy had fallen prey to a common condition called "Gambler's Fallacy". Simply stated, this is the "incorrect belief that the likelihood of a random event can be affected or predicted from other independent events." The "law of averages" is one phrase that gamblers

should strike from their vocabulary.” Avid gamblers as well as non-gamblers will be highly entertained by a myriad of sagas, which also include sports betting, dog racing, and poker. By the end of the book, like the author, readers will end up asking themselves, “Is today going to be my lucky day?” You betcha!

Book Reviews “The book was an easy, fast, and funny read. I totally enjoyed every story and wished that Jim had worked another five years so we could read a few more chapters”. Three favorite chapters: Dare and Defy, Tommy the Scrubber, Sy, Lord of the Rings Sam M. “Gentile’s first book out of the starting gate is no gamble...readers will be bridled instantly by the wit and honesty of his many self-deprecating gambling tales. While Gentile always seems to miss his bets “by a nose”, his collection of racetrack characters and close calls is one for the “win column”. Three favorite chapters: Got any Hot Tips? Sy, Lord of the Rings, The Chicago White Sox and a Pound of Pot? Marta A. Miller, maiden gambler “Finally, a nonprofessionals guide to horse racing. Easy to understand and revealing without being overwhelming, the personal experiences of this racetrack insider make it fun to read too. A must read for anyone who bets on horse racing”. Three favorite chapters: Bob and Jim’s Wild Ride, Light’s Out, Starnet and Internet Gambling. Steve J. “By A Nose by Jim Gentile i
